ABOUT ME

I'm N Amelya, a Junior Front-End Web Developer. With a diverse background, I've tackled all layers of dynamic hard worker, from the website design, digital platform, database to UI, and embraced every step of the product life cycle - from concept and design to seamless deployment and ongoing support.
I'm passionate about my work, always eager to learn new things and explore new opportunities and experiences also have had the opportunity to work on a variety of exciting projects throughout my career.
